FREQUENTLY ASKED QUESTIONS

- **What is the qualification of your Caregivers?**
 - Our Specialised Caregivers possess qualifications of Diploma or Bachelor Degree, Nurse Assistants, and Nursing Aids.
 - They are experienced in taking care of dementia, stroke, Parkinson's disease, diabetes and cancer patients.
- **Where are your Caregivers from?**
 - Our Caregivers are from Philippines, Sri Lanka and India. However we usually advise our clients to make their choice based on the specific skillset required for the patients, so country of origin is usually not a main factor in their final decisions.
 - Our Caregivers speak English.
- **What is the caregiving scope of your Caregivers?**
 - Activities of Daily Living (e.g. feeding, showering, toileting, diaper-changing, position changing and medication compliance)
 - Vital signs monitoring (e.g. blood pressure, body temperature, heart rate, blood sugar and blood oxygen level)
 - Assist in medical visits, physiotherapy, wound dressing, dialysis, insulin injection, urinary catheter, nasogastric tube feeding, stoma care
 - Deal with emergencies
- **What follow-up services are included?**
 - After the arrival of the Caregiver, we will provide them a detailed briefing to ensure they are up to date with the patient's latest condition, medicine needs and the requirements from your family.
 - Active Global will dispatch a Hong Kong licensed nurse to provide a one-time on-site-training in order to standardize the nursing care procedures specific to the patient.
 - If the patient's health condition has any changes, our Nursing Consultant can adjust the patient's Holistic Care Plan and further provide medical consultation accordingly.
 - The follow-up services mentioned above are already included in our one-time set-up fee.
